ALEXANDER DENNIS

Enviro400EV

The crowd-shifter

United Kingdom

The Alexander Dennis Enviro400EV is the battery-electric double deck bus to move the crowds on busy urban corridors and interurban expresses.

Part of the next generation of Alexander Dennis zero-emission buses, this reliable and efficient double decker has a future-proof battery system that allows you to benefit from improvements in battery technology.

The Enviro400EV cuts a striking figure wherever it goes and delivers for your business, your customers and the environment.
